

2017 Summer Reading List

Here we are again . . . it is summertime! What better way to kick off summer than with a summer reading list? Well, I know what you are thinking, “You’ve got to be joking, right? Homework in summer? What cruel and unusual punishment this is!”

But what about those rainy days or days too hot to go outside or days you are bored to tears? Those are PERFECT days to sit on your comfy couch, get a tall glass of lemonade, grab that book, and disappear into another world. All you need now are some titles to get you going. And here they are!

Remember I will be taking a grade for this in the fall, **so pick three** from the list that apply to you and write a quick summary on the back of this sheet.

Enjoy your books!
