

Communication Information Sheet

Lake Orion Baptist School

Because the primary means of communication between the school and the parents will be through email, it is necessary for us to update our records with email addresses by which you can be informed of school related issues. Please help us by providing at least one address that can be used for this purpose.

We will also be printing a school directory for parent/student use. The directory will go out to each school family. If you would like your contact information included in the directory, please provide the appropriate information below. Please note that the school directory section is optional. It is not required that your contact information be shared with other school families.

Please return this sheet to the school office.

Required

All email addresses provided below will be used for communication between the school office and you, the parent.
